## **HAIR STROKES**

**£335**

(INCLUDES 2 SESSIONS)

Realistic, natural-looking brows creating the finest realism hair strokes.

## **ADDITIONAL SHADING**

**£20**

Soft powdered colour added to realism hair strokes to create a natural textured look.

## **COLOUR BOOSTS**

**£165**

The initial microblading treatment lasts between 12-18 months but some clients prefer to return for a colour boost earlier depending on how their skin retains pigment.

Colour boost procedures should only require one treatment, however if there is little or no pigment left & brows need redesigning, this will be full price as the two stage treatment will be required.
